

# I KETUT SUGIARTHA

## NOTARY

### PERSONAL PROFILE

I am a distinguished legal practitioner specializing in the notary profession, based in the enchanting island of Bali, Indonesia. With an extensive career, I have had the privilege of serving hundreds of bonafide clients, including reputable multinational companies from around the world.

### WORK EXPERIENCE

#### NOTARY

2016 - NOW

The Ministry of Law and Human Rights

My practice is founded on the principles of precision, reliability, and unwavering professionalism. As a notary, I have facilitated numerous transactions, ensuring the legality and authenticity of documents related to property, business agreements, and various legal matters. My attention to detail and commitment to upholding the highest standards of notarial practice have earned the trust of a diverse clientele.

#### VARIOUS COMPANY FOUNDER

2002 - NOW

In the realm of property, my ventures have led to the creation of thriving real estate projects, reflecting a commitment to quality and excellence. These endeavors stand as testaments to my dedication to shaping vibrant and sustainable communities.

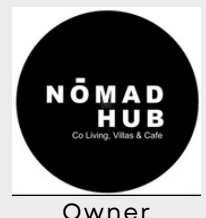

In the petroleum sector, I have played a pivotal role in establishing and managing ventures that contribute to the energy landscape. Guided by a forward-thinking approach, my involvement in this industry reflects adaptability to evolving market dynamics and a focus on sustainable practices.

As a founder in the realm of business consulting, I bring a wealth of expertise to the table. My companies provide strategic insights, innovative solutions, and comprehensive advisory services to clients navigating the complexities of the business world. Through these ventures, I aim to empower other businesses to achieve their full potential.
